

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. THE NEW RULES IN CHANCERY.—The following rules have been adopted by the Chancery branches of the Circuit court:

It is ordered that the following six rules be observed in the Chancery practice of this court, and that they take the place of any rule or rules now existing and conflicting with the same.

The said rules shall be in force from and after Oct. 14, 1878.

I. Contested motions shall be heard on Monday of each week; PROVIDED that, in cases of emergencies, such motions may be heard at any time.

II. On Saturday of each week default causes shall be heard.

III. When the summons has been served ten days before the commencement of the term, and an appearance in writing, before default, has been filed, the respective parties entering such appearance, shall thereby, without any order, have twenty days from the first day of the appearance term, within which to except, plead, answer or demur.

IV. When the service is by publication, and in time for any term, the appearance in writing, filed before default, shall entitle the respective parties entering such appearance, until the third day of the succeeding term, within which to except, plead, answer or demur.

V. On and after the third day of each term, defaults may be entered as to such defendants, as have been served in due time, and have filed no appearance in writing.

VI. When any chancery cause is at issue, upon notice and motion of either party, the cause may be placed on the trial calendar. The causes on such calendar shall be called and tried on Tuesday, Wednesday, Thursday and Friday of each week. As many as four causes may be tried on each of said days, and they shall appear on the calendar in the order of the notice and motion.

On Wednesday, Oct. 16, is the last day for filing records in the Appellate ct.

On Friday, Oct. 18, is the day set apart by the Appellate court for examination of law students.

THE BANKRUPTCY LIST.

ABSTRACT OF ALL

BANKRUPTCY PETITIONS,

Filed in the U. S. District court for the Northern District of Illinois, from the passage of the Bankruptcy Act, March 2, 1867, to its expiration, Sep. 1, 1883, compiled from the records, by Mrs. M. G. Lampkins, publisher of "Rules and Practice in State and Federal Courts of Illinois." The object of this book is to furnish in convenient form for the use of Lawyers, Merchants, Bankers, Manufacturers, etc., etc., an accurate list of all persons and corporations by or against whom petitions in bankruptcy have been filed, in the Northern District of Illinois. The names are arranged alphabetically, giving also residence, date and memoranda of proceedings. In co partnership cases the names of the several partners are given in their appropriate order. The entire number of petitions filed in the district is 5,349, and the number of parties about 8,000. It is believed this book will be of the greatest value to all persons who do a credit business. Copies will be mailed to any address on receipt of price, \$3.00.

THE BANKRUPTCY LIST.

ABSTRACT OF ALL

BANKRUPTCY PETITIONS,

Filed in the U. S. District court for the Northern District of Illinois, from the passage of the Bankruptcy Act, March 2, 1867, to its expiration, Sep. 1, 1878, compiled from the records, by Mrs. M. G. Lampkins, publisher of "Rules and Practice in State and Federal Courts of Illinois." The object of this book is to furnish in convenient form for the use of Lawyers, Merchants, Bankers, Manufacturers, etc., etc., an accurate list of all persons and corporations by or against whom petitions in bankruptcy have been filed, in the Northern District of Illinois. The names are arranged alphabetically, giving also residence, date and memoranda of proceedings. In co-partnership cases the names of the several partners are given in their appropriate order. The entire number of petitions filed in the district is 5,349, and the number of parties about 8,000. It is believed this book will be of the greatest value to all persons who do a credit business. Copies will be mailed to any address on receipt of price, \$3.00.

Address,

THE BANKRUPTCY LIST.

ABSTRACT OF ALL BANKRUPTCY PETITIONS,

Filed in the U. S. District court for the Northern District of Illinois, from the passage of the Bankruptcy Act, March 2, 1867, to its expiration, Sep. 1, 1878, compiled from the records, by Mrs. M. G. Lampkins, publisher of "Rules and Practice in State and Federal Courts of Illinois."

The object of this book is to furnish in convenient form for the use of Lawyers, Merchants, Bankers, Manufacturers, etc., etc., an accurate list of all persons and corporations by or against whom petitions in bankruptcy have been filed, in the Northern District of Illinois. The names are arranged alphabetically, giving also residence, date and memoranda of proceedings. In co-partnership cases the names of the several partners are given in their appropriate order. The entire number of petitions filed in the district is 5,349, and the number of parties about 8,000. It is believed this book will be of the greatest value to all persons who do a credit business. Copies will be mailed to any address on receipt of price, \$3.00.

THE BANKRUPTCY LIST.

**ABSTRACT OF ALL
BANKRUPTCY PETITIONS.**

Filed in the U. S. District court for the Northern Dis-
trict of Illinois, from the passage of the Bankruptcy Act,
March 2, 1867, to its expiration, Sep. 1, 1878, compiled from
the records, by Mrs. M. G. Lampkins, publisher of "Rules
and Practice in State and Federal Courts of Illinois."
The object of this book is to furnish in convenient form
for the use of Lawyers, Merchants, Bankers, Manufactur-
ers, etc., etc., an accurate list of all persons and corpora-
tions by or against whom petitions in bankruptcy have
been filed, in the Northern District of Illinois. The names
are arranged alphabetically, giving also residence, date
and memoranda of proceedings. In co-partnership cases
the names of the several partners are given in their ap-
propriate order. The entire number of petitions filed in
the district is 5,349, and the number of parties about 3,000.
It is believed this book will be of the greatest value to all
persons who do a credit business. Copies will be mailed
to any address on receipt of price, \$3.00.

THE BANKRUPTCY LIST.

ABSTRACT OF ALL BANKRUPTCY PETITIONS.

Filed in the U. S. District court for the Northern District of Illinois, from the passage of the Bankruptcy Act, March 2, 1867, to its expiration, Sep. 1, 1873, compiled from the records, by Mrs. M. G. Lampkins, publisher of "Rules and Practice in State and Federal Courts of Illinois."

The object of this book is to furnish in convenient form for the use of Lawyers, Merchants, Bankers, Manufacturers, etc., etc., an accurate list of all persons and corporations by or against whom petitions in bankruptcy have been filed, in the Northern District of Illinois. The names are arranged alphabetically, giving also residence, date and memoranda of proceedings. In co-partnership cases the names of the several partners are given in their appropriate order. The entire number of petitions filed in the district is 5,349, and the number of parties about 8,000. It is believed this book will be of the greatest value to all persons who do a credit business. Copies will be mailed to any address on receipt of price, \$3.00.

THE BANKRUPTCY LIST.

ABSTRACT OF ALL

BANKRUPTCY PETITIONS,

Filed in the U. S. District court for the Northern Dis-
trict of Illinois, from the passage of the Bankruptcy Act,
March 2, 1867, to its expiration, Sep. 4, 1878, compiled from
the records, by Mrs. M. G. Lampkins, publisher of "Rules
and Practices in State and Federal Courts of Illinois."
The object of this book is to furnish in convenient form
for the use of Lawyers, Merchants, Bankers, Manufactur-
ers, etc., etc., an accurate list of all persons and corpora-
tions by or against whom petitions in bankruptcy have
been filed, in the Northern District of Illinois. The names
are arranged alphabetically, giving also residence, date
and memoranda of proceedings. In co-partnership cases
the names of the several partners are given in their ap-
propriate order. The entire number of petitions filed in
the district is 5,349, and the number of parties about 8,000.
It is believed this book will be of the greatest value to all
persons who do a credit business. Copies will be mailed
to any address on receipt of price, \$3.00.

THE BANKRUPTCY LIST.

ABSTRACT OF ALL BANKRUPTCY PETITIONS.

Filed in the U. S. District court for the Northern Dis-
trict of Illinois, from the passage of the Bankruptcy Act,
March 2, 1867, to its expiration, Sep. 1, 1878, compiled from
the records, by Mrs. M. G. Lampkins, publisher of "Law
and Practice in State and Federal Courts of Illinois."

The object of this book is to furnish in convenient form
for the use of Lawyers, Merchants, Bankers, Manufactur-
ers, etc., etc., an accurate list of all persons and corpora-
tions by or against whom petitions in bankruptcy have
been filed in the Northern District of Illinois. The names
are arranged alphabetically, giving also residence, date
and memoranda of proceedings. In co partnership cases
the names of the several partners are given in their ap-
propriate order. The entire number of petitions filed in
the district is 5,349, and the number of parties about 500.
It is believed this book will be of the greatest value to
persons who do a credit business. Copies will be mailed
to any address on receipt of price, \$3.00.
